Finds Long Lost Relatives Here—

Some time ago I called attention to the plight of a native Sedalian, now living in Kansas, who because of his employment found it necessary to obtain a birth certificate.

During 38 years he had lost contact with relatives principally because he had been adopted when a baby and taken away from Pettis county.

William H. Kimmons of Wichita, Kansas, is a repair man for a telephone company. His work takes him into defense industries. War restrictions require him to have proof of American birth and other data else he cannot be allowed in or around factories making war materials.

All Mr. Kimmons knew was that he was born in Sedalia as William Driskell. His father formerly worked at the Missouri Pacific shops and was reported to have died of steam scalding back in 1904 or thereabouts. His mother died of pneumonia. William H. Morris was appointed his guardian in 1908. Later the child was adopted by Mr. and Mrs. R. H. Kimmons who took him to their home in Polk county.

When this information was published in the Democrat recently, W. A. Morris, 1418 East Thirteenth street, Sedalia, presented himself as Mr. Kimmons' uncle and remembered considerable about the boy. Through Mr. Morris it was established that Mrs. Fannie E. Jarshwitch, 409 North Engineer, an aunt, now about 80 years old, was present at the birth of her nephew in 1904.

Mr. Morris brought Mrs. Jarshwitch to the Democrat office where she made affidavit to the birth information required and it was sent to her nephew. Both were elated to be of service. Mrs. Jarshwitch found a picture of her nephew's deceased father which she sent to him and hopes to find somewhere among her possessions a picture of the mother.

Thus a forlorn hope to produce a birth certificate was the means of discovering some blood relatives.

Mr. Kimmons wrote his uncle, Mr. Morris an interesting and thankful letter. He said he was surprised to learn he had any living relations. "Words won't express my feelings to find I have an aunt and uncle. I would like to know more about my mother and father. I have never had any pictures or anything. I have three children, 2 girls 16 and 13, and a boy 8. My adopted father passed away some time ago and my adopted mother has always lived around Bolivar. I want to meet you so I will look forward to being in Sedalia some time in June. We have been going over to Gravois Mills fishing and have been through Sedalia but never stopped before."

Tragedy in Trial "Blackout"—

In an eastern town where I once lived, they have staged a first blackout. It was observed simultaneously for 15 minutes throughout the entire county; population 300,000, contrasted with Pettis county's 35,000.

The blackout was a success. Even fast trains roaring through the middle of the town dimmed headlights. There was tragic realism, too. One of my very dear friends in that community is secretary of the Board of Education, has been for years. While the blackout was in progress her 84-year-old mother arose from bed, walked into the hall, and fell down a flight of stairs. She died the next day.

Neighbors heard the woman fall. They hurried to the home, turned on the lights. An air warden saw the illumination, rushed to the home and assisted in first aid.

Down town a young fellow scurrying for cover from an imaginary bomber, ran into and shattered beyond repair an old show case upon which I had leaned many times while waiting to sell an advertisement to the shoe store proprietor, Percy Taylor, whose father came from England. The show case was a relic, built for the elder Taylor now deceased.

"Blackouts" Must Be Organized—

What amazed me was the complete and efficient arrangements necessary to stage a blackout. There was a watcher or warden on every corner in every block of every town in the entire county. At a signal from Mitchell Field, hundreds of miles away, the western Pennsylvania county organization went into action relaying the practice air raid alarm. Weeks were required to set up such an effective administration. Thousands of willing citizens had to be enrolled and trained for this. It took time, plenty of time. And it took executive management, in a county of 300,000 people. The fellow at the top who did it was my host at an enjoyable weekend party on the Susquehanna river near Harrisburg, a short time before I came back to Missouri.

Moving Slowly in Pettis County—

In Pettis county, because we are not located in a vulnerable industrial area, citizens have not become quickly enthusiastic about such things as air raid precautions and civilian defense. The initial enrollment revealed that only 12 persons registered for air wardens; 400 are needed right here in Sedalia. No one registered for fire watcher; 300 are needed. Lately more have enrolled, but not near enough, according to Dr. Hardin Gouge, chairman of the Civil Protection Division of the Council of Defense.

There is no sense in starting a school of instruction with a handful of men and women. Proper training of those necessary to take part in civil defense will require three hours a week, two hours one night, one hour another, for from seven to ten weeks. Thereafter we might be qualified to stage a real blackout. That gives you some idea how far behind we are on this program.

Leaders have got to have the serious attention and co-operation of the public if we are to qualify ourselves for effective civilian defense. Practice blackouts are serious business, just like the real thing, when women fall down stairs and receive fatal injuries; when property is damaged because of excitability. It

isn't so easy to keep our heads, even when we have a practice drill.

Training courses for fire wardens and fire watchers should start April 1 in Sedalia. Those willing to respond, those who have already enrolled, too, should report to the Chamber of Commerce office and ask that their classifications be established or changed to give first preference to air warden and fire watcher assignments.

Sooner or later we are going to have to get this job done. Army and navy men are interested in the type of civilian morale existing in the territories where they place training camps, air fields and what not. If any of these things are located in or near Sedalia, and present signs look very favorable, then we had better start shaking our stumps on the subject of civilian defense.

A Welcome Tax Reduction—

When prices of everything else are soaring heavenward, the Sedalia Board of Education announces a five cent reduction in the school levy for next year. This is consolation indeed; but more so when the board indicates that an additional reduction of 15 cents probably will be made the following year. Reduced bond indebtedness is the reason. If this unusual sort of thing keeps up the time is not far distant when someone will devise a scheme to float more bond issues to put the school district into heavy debt again.

Is It A Curfew We Need?—

Spring is in the air. The sap begins to rise. Youngsters become restless, twitchy, one might say. I forget how they described this state of mind and body when I was in high school, but currently the slang expression "ants in their pants" seems adequate.

Judging from the antics of some of our 'teen-age boys and girls, beetles have displaced the ants, and bats have been added to their beifry as well. Many are going through the smart aleck stage requiring adult toleration. Completely unchecked or ignored by parents, the smart alecks in their desire to attract attention, go a bit too far with their friskiness.

Some of the boys need their ears slapped down, as the saying goes, and some of the girls need their slacks lowered and a good-sized paddle laid none too gently on their behinds. All of which might be funny if it didn't have its serious implications.

One of these fine days there will be some tragic consequences as a result of youthful immoderation. Parents are too disorganized about the rules and regulations that should govern their offspring. None agree on the hour their young hopefuls should turn in at night. Too many don't care at all so long as Junior or Sallie don't wake them up by slamming doors when they come in around one or two o'clock.

As a result, when some parents attempt to set a deadline, there is a howl of protest because "all the other kids' parents let them stay out late."

Maybe this town needs a revival of the curfew law if the parents prefer to pass the buck to the police.

The Hungry Fighter

One of the axioms of the sports department is that the fighter who is hungry is a hard man to beat in the ring. It works the other way, too—wealth and easy living so soften up the champion that it is not too hard for the underdog to knock him out.

Doesn't that apply to Japan and the United States? Certainly Japan has been hungry economically for many years. And do we not still boast we are the wealthiest country in the world?

Before Japan entered the ring against us, we were told pretty generally that Japan did not have enough airplanes. Likewise, Japan could not withstand a rigid blockade, and Japan's navy was no match for our fleet. Japan could not produce the arms. And as to economics, well Japan was starving. Citizens were being tossed into jail for bootlegging rice!

Were we duped? No, those statements still stand up pretty well, though the first three months of the war have resulted in victory after victory for the sons of Nippon.

It also still stands up that we are wealthy and fat, and those punches the Japs have been landing have knocked the wind right out of us.

There is little point in criticizing our manager or seconds. We are in the ring ourselves, facing the enemy alone, it is up to us to survive or die.

When President Roosevelt, in his message back in January, outlined the tremendous job we planned in the way of producing tanks, planes and ships, there was a general tendency to puff out our chests. This was America, after all, bigger and better than any other land. We would show them.

We are in the ring now, face to face with an opponent who has the spirit of conquest in his heart. Our bank account is not much help when the bell rings and we leave our corner to trade blows with a desperate man.

How soon shall we realize that here, at arm's length, is a foe with his mind full of murder, who is crafty and well prepared, who has the advantage of fighting in and near his home town?

We will have to battle now with every physical resource. We can't win this one by reading the clippings of our past triumphs. The brown man is little, but he is hungry and he isn't afraid of us.

If we are the champion, it is time to show it now, with a fighting heart in our factories, on the field and in our homes. It is time for us to come out swinging hard, using every kind of wallop we can throw.

In the words of the sports room, let's hit Mr. Moto with everything but the kitchen stove!

WASHINGTON—Now that Gen. MacArthur has left the Philippines, some of the secret facts about moves to get him out can be disclosed.

Around the middle of February, the general staff in Washington suggested to MacArthur that he leave the Bataan Peninsula. They "suggested," because MacArthur is a full general, and there is only one other full general in the army, the chief of staff, Gen. Marshall. Generals do not usually order each other, especially when one is in the field and is considered the best judge of what he is to do, unless he comes to long range strategy.

The proposal of the general staff had the full sanction of the president, and a submarine actually was ready to take MacArthur and his family from Bataan.

However, MacArthur replied that he was not ready to leave yet. So the only way to transfer him was by a direct order from the commander-in-chief, namely Roosevelt.

At that time Gen. Wavell was still the supreme commander of allied forces in the Southwest Pacific, and the defense of Australia had not yet started. Moreover, there were few American troops in Australia to command.

Later, however, the president sent word to MacArthur to prepare to leave the Philippines as soon as he could readily do so, and take command of all the allied forces in Australia.

NOTE: Meanwhile, certain anti-Roosevelt senators were berating the president for allegedly keeping MacArthur in the Philippines because, they said, he feared the general as a political opponent.

One Democratic senator, whose re-nomination Roosevelt vigorously opposed in the famous purge of 1938, actually remarked at a dinner table: "We are demanding that Roosevelt bring MacArthur

back, but I hope he keeps him there and MacArthur is taken prisoner. Then the resentment of this country will be such that we can sweep this man out of the White House."

Madam Secretary

Secretary Perkins appeared at a secret Senate Labor committee meeting, the other day, following which Chairman Elbert Thomas told reporters that she had testified on "labor co-operation" in the war effort. However, the Utah senator took care not to disclose that another matter had been discussed which would have made a much hotter news story.

Miss Perkins was asked bluntly when she was going to resign.

Further, she was asked the question by New Deal Senator James Murray of Montana. Murray tossed this bombshell while the secretary of labor was chattering away about the efforts of her conciliation service to end disputes in war plants.

"Most of the letters I receive criticizing labor can be traced to business interests," Murray suggested at this point. "Don't you think that this is all part of a cleverly-devised propaganda campaign by some of the big industrial leaders to stir up trouble and undermine public confidence in labor?"

"No, I wouldn't go so far as to accuse industry of trying to stir up trouble," replied Miss Perkins, apparently nettled by the interruption.

"I'm also getting a lot of letters about you, Madam Secretary," continued Murray unperturbed. "Workers in my state and elsewhere are not satisfied with your administration of the Labor Department, and frankly would like to see you get out. Both factions of labor are agreed on this, but apparently you have not been impressed by their wishes."

By this time the room was as silent as a tomb and Murray, looking Miss Perkins squarely in the eye, asked bluntly, "When do you plan to resign?"

Miss Perkins' reply was a defiant toss of her head and an angry glare at Murray. That was all. She said nothing.

Chairman Thomas, startled speechless by Murray's question, hastily came to Miss Perkins'

One day last week an aged, neatly attired man leaned on the mahogany railing at the entrance to the old Supreme Court chamber in the capitol, gazing intently at the busts in the wall niches and at the green baize-covered bench where the tribunal once sat.

Noting his keen interest, capitol policeman Edward Banks began to relate some historic facts about the chamber.

"The Supreme Court used to meet here," Banks began pleasantly. "Those busts you see around the wall are of former chief justices, including John Marshall and other famous figures of the past."

The visitor said nothing, and Banks continued:

"The bench up there, of course, is where the court sat until 1935, when it moved to the new building across the plaza."
The old man began to tap his shoe on the floor, but still remained silent.

"Many famous decisions were handed down here," continued Banks. "There was the Dred Scott."

At this point, the visitor apparently had heard enough. Turning and fixing Banks with a stern eye, he said:

"Young man! I know all about the court and those decisions. I sat on that bench for 20 years." Then, breaking into a boyish grin, former Justice James Clark McReynolds walked away, leaving a flabbergasted policeman behind him.

Whom do you think she ought to marry? Brian Aherne, the dashing bachelor on Claudette Colbert's left, who promises to spend the rest of his life showing her the moon, or Ray Milland, her former husband, who begs for a second chance to make up for the romantic neglect he showed during their five years of married life. The problem is solved in the giddiest, wittiest comedy of the season, "Skylark" opening today at the Fox theatre.

Field Army On Cancer Meets

Representatives of the Women's Field Army from four Missouri counties met at the Bothwell hotel Friday noon for a discussion of their 1942 program for the control of cancer.

Mrs. D. S. Lamm and Mrs. A. J. Campbell are Pettis county representatives in the organization, which is sponsored by the national society for the control of cancer. It is endorsed by every state medical society for its work in the distribution of information encouraging the early diagnosis of cancer. The army field is operated on a military basis, and all officers are given the ratings of army officers. Mrs. David S. Long, state commander, of Harrisonville, was present at the meeting here Friday.

Counties represented at the session were Bates, Benton, Cass and Pettis. April is the annual enlistment month of the organization, when a special drive is made for membership. Pettis county workers in the Army are being sought.

Smithton Wins County-Wide Tourney

Hughesville Is Defeated In Finals 36-26

Sedalia Teams Are Eliminated In The First Rounds As Visitors Steal Show

The Smithton A team, composed partly of high school players, walked off with the County-wide basketball tournament held at the "Y" gym Saturday. Smithton defeated the Hughesville A team by a score of 36 to 26 in the final game.

When the half time period rolled around the Smithton team had a 20 to 9 lead while in the second half the teams scored almost even points with Hughesville having a one point advantage. The first half rally of Smithton proved to be the winning points.

R. Meyer High Point Man
R. Meyer, of Hughesville was the high point man of the game with fifteen, while Jackson of Smithton was close behind with fourteen.

The lineup of the teams: Smithton A, Brammer and Jackson, forwards; Hoehns, center; Oerke, Demand and Eddy, guards. For Hughesville A, Lowrey, and Hieronymus, forwards; R. Meyer, center; Mullineaux, G. W. Meyer and Dickey, guards.

Sedalia Teams Out Early
The Sedalia entries in the Pettis county basketball tournament, were eliminated in the first rounds with the visiting teams taking charge early in the games and holding their leads with the exception of one game. The Salvation Army Cubs dropped the closest game by a basket to the La Monte A team.

In the opening game of the day Hughesville showed aside the Smith-Cotton All-Stars, 30-21. The victory gave them the semi-final game.

La Monte A played the Salvation Army next and this contest was the closest and hardest fought contest of the tournament games up to the finals. It was either teams contest up until the whistle blew signalling the end. Winning La Monte went into the semi-finals.

Cubs Lose To Smithton
Smithton high school had an easy time with the Smith-Cotton Cubs eliminating the Sedalians by a 37 to 24 score and going into the semi-final contest.

Houstonia bowed out to the Smithton Athletic Club by a one-sided affair. The score at the conclusion was 29 to 10 and put Smithton against the Smithton high school team.

The semi-final games proved to be interesting contests, but the more powerful Hughesville quintet slipped ahead to win the game over La Monte 36 to 29. Thence to the finals did go Hughesville.

Smithton vs. Smithton
The Athletics from Smithton were not powerful enough against their town opponents and lost the worst one-sided game of the day's play 32 to 12. The high school team was sparked by three members of the varsity from high school, and they went to the finals to battle with Hughesville.

"Rocky" Carver, of the Salvation Army Red Shields was the official of the games.

Regional AAU Boxing Tourney To Denver
DENVER, March 21—(P)—Eight states will send some of their best boxers to Denver's biggest two-night amateur fight show in history April 1-2.

The winners in the eight weight classes from the 40 or more boxers entered will represent this region in the National AAU tournament at Boston later next month.

Kansas, Missouri, Nebraska South Dakota, Iowa, New Mexico, Wyoming and Colorado are the states to be represented.

Champions of the recent Denver Elks tournament will compete but two of them will appear under other colors. They are Lou Amayo, Elks 147-pound champion, and Joe Aguiar, 112-pound winner both of whom will represent Kansas City.

Dean Murray, Sedalia's feather-weight champion, has been selected by the Missouri Valley Association to be representative on the team going from Kansas City. Murray began working for the tournament last Friday afternoon.

Corporal Corson At Will Rogers Field
WILL ROGERS FIELD, Okla., March 21—Corporal William Redford Corson, formerly of Sedalia, Missouri, is one of the soldiers stationed at this army air force bombardment base.

Corporal Corson is assigned to a bombardment squadron here as a parachute rigger. He is the son of Mrs. Mary Docie Corson of 1414 East Twelfth street, Sedalia.

Before entering the army in 1940, Corporal Corson resided at Sedalia, where he was employed as a salesman.

Stanford The NCAA Winner At Kansas City

Master The Boys From The Mountain Region 46 To 35

KANSAS CITY, March 21—(P)—Stanford's Giants strung up a puncture-proof defense tonight to master Colorado's high scoring mountain boys 46 to 35 and win the Western N. C. A. A. Basketball championship before 6,000 spectators.

The Pacific coast club will face Dartmouth, winner over Kentucky in the eastern N. C. A. A. title game, here next Saturday for the national crown.

Kansas Beats Rice
Behind 30-24 at half time, Kansas fought its way out of the woods tonight to win a nip-and-tuck battle from Rice Institute by a score of 55-53 and capture third place in the Western N. C. A. A. basketball tournament.

Two sophomores, Charlie Black and Ray Evans, powered Phog Allen's Jayhawks into a 42-41 lead in the last nine minutes of the second half. Kansas trailed 30-24 entering the final period.

Black, a producer of 16 tallies. Fouled out two minutes later but John Buescher and Evans kept the fire kindled under the Kansas despite little Chet Palmer's remarkable sharpshooting.

Honduran Liner Sunk March 16

NEW YORK, March 21—(P)—The torpedo-sinking of a Honduran passenger liner on March 16 off the New Jersey coast with a probable loss of 44 lives was disclosed today by the third naval district. Six battered survivors reached here Thursday.

The 44 missing persons were 32 crew members and 12 passengers—three women, two girls, a 7-year-old boy and six men.

They're Up In Air Now

Shaughnessy Goes To Maryland University

PALO ALTO, Calif., March 21—(P)—Clark D. Shaughnessy announced today that he was leaving Stanford University to become director of the department of health and physical education and read football coach at the University of Maryland.

The Stanford board of Athletic control reported that Shaughnessy's resignation as chief of the school's football staff, had been accepted and Jim Lawson, an assistant had been recommended as his successor.

The Smithton Hornets Open On April 5

M. T. S. At Boonville First Game; Second To Be At Smithton

Although handicapped by bad weather conditions the past few weeks, the Smithton Hornets have been unable to hold their regular practices. However, in spite of their workouts the first game scheduled for the team will be April 5 at Boonville.

The first "at home" game will be a return engagement with the Missouri Training School team on Sunday, April 12, at which time the team will be taken to Smithton under the supervision of Major R. L. Carter. The teams for the past several seasons have opened up playing each other.

A Strong Infield

The Hornets are built around young experienced players, Selken, Bohon, Curtis, and Bremer, infielders and Dove and E. Curtis returning outfielders. Bobby Brunkhorst, who has been seriously ill the past winter, is improved and is expected to be in shape for the opening of the season on the mound.

Paul Selken, captain of the team, has called a meeting for this week at which time election of officers will be held.

The Hornets had an exceptionally known as one of the strongest of its class in Central Missouri, meeting teams of its age from Boonville, Tipton, California, Jefferson City, Stover, Florence and Eldon.

Mioland Continues Race Successes

MIAMI, Fla., March 21—(P)—Charles S. Howard's Mioland, who has had the most successful winter season of all the big name horses on the Florida tracks won the \$7,500 added Coral Gables handicap at Tropical Park today.

The big bay horse, brought here from California, scored a smashing five-lengths victory and trimmed three-fifths of a second off the track record of 1 min. 50 2/5 secs. for the one mile and an eighth. The old record was set by The Thrust in 1940.

Signator Is Second

Woolford Farm's Signator finished second and was two lengths ahead of J. W. Dial's Llanero.

The co-favorite, Our Boots, flying the colors of Woodvale Farm, missed the show position by a head.

Mioland, although highly favored, paid \$6.50, \$4.50 and \$3.60. Signator returned \$10.80 and \$6.50, and Llanero was good for \$14.40.

Sedalia Dog Winner In Field Trial

John Proctor Janey Takes Prize In The Junior Puppy Stake

The annual Spring Field Trial meet held on the State Game Reserve near Bahner, is one of the largest ever to be sponsored by the local club. The club now known as the Midwest Pointer and Setter Club made a new ruling whereby only amateur handlers would handle the dogs in the meet and in the various events the owners have taken over.

In the first event the Junior Puppy Stake was won by a Sedalian, C. S. Long, whose dog John Proctor Janey made an excellent showing.

Texas Boy A Winner
Texas Boy, owned by Gerald Jordan, Vandalia, Mo., was the Senior Puppy Stake Winner.

The Derby honors went to Edmont Traveler, owned by E. E. Pugh, Kansas City.

The drawing of the All-Age Stake was completed Saturday night. This stake will be run today and will have twelve brackets with twenty-four dogs working. It is expected to take all day to complete the event.

In the Junior classification these pairings were made:

The dogs are braced two together the first brace being Spunky Treat Gal, owner and handler, J. C. Griffin, Sedalia; Citation's Honey Lou, owner J. E. Root, Brentwood, Mo. Citation's Honey Lou, Third.

Chances for winning the Central Missouri conference this season, by the Smith-Cotton Tiger track team, are fair—that is what Coach Donald Davenport believes after looking over his group of thirty-five boys. They are not quite "tops" yet, but within two more weeks, they should equal other teams the school has produced.

Dewey Stevens and Bob Cain are two letter-men back from the 1941 squad. The remainder of the boys have had some experience in the junior high school events. Others had a little experience last year, but were unable to pull through for the usual letter honor.

Stevens is practicing in sprints, relays, high jump, as well as broad jumps. Cain is a sprinter and relay man and is doing some broad jumping. Either or both boys should pull through with good points, while other members of the team should be able to be in place positions in various events, enough to overcome any other team.

One thing certain, the Tigers are anxious to repeat with the conference title, to keep the Smith-Cotton team among the top honors of the conference.

There have been some remarks made about the Sedalia Field Trial Association changing its name to the Midwest Pointer and Setter Association, because it left the name of Sedalia off. Personally, like a number of the officials in the organization, I feel it will be more of an attraction to dog handlers to come, because they will feel that it is for all dog owners instead of a select few from Sedalia.

"We want to advertise Sedalia," I was told, "but on the other hand whenever a letter goes out to a dog handler, it will be very prominent that Sedalia is the address; that Sedalia is the headquarters, and that Sedalia in general has a warm spot in the hearts of all of them. Sedalia can sell itself if they come, because everybody always wants to come back after they've been here a time or two."

The field trial meet which is now in progress is a good example of the turn-out. There are as many, if not more here for this spring meet than any previous meeting. The fact that it is strictly amateur shows that more dog handlers are anxious to compete because they have a better chance of showing their dog, than when a professional handler is in charge of the dogs against which he is competing.

Raymond Dumont, president of the National Semi-Pro Baseball Congress, is confident that if the Sedalia Chamber of Commerce goes ahead and sponsors the state tournament this year, it will be a greater success than in 1941. Dumont writes that in spite of the feeling of several teams at the present time (they are quitting) the teams will blossom out by the middle of May wanting to play ball.

History of baseball in small towns during the past few years has been identical. Teams that had a bad season in the previous year decide not to organize—but as soon as baseball gets into the air, they are ready and willing to make another try.

The Chamber of Commerce recently sent out letters and polled various teams about their prospects of entering the tournament this summer. Net results: One team answered favorably, while three others were indefinite, and the rest said No. However, the youngsters coming up want to play ball and the communities owe it to them to support a ball club. There is always an "old timer" who is willing to take over.

With this in mind, it is possible that dates for the tournament will be announced within the next three weeks. Tentative dates at present are July 12-19 inclusive, with a possible 5th to 12th inclusive. However the dates will be announced as soon as definite arrangements can be made with teams to enter the tournament.

Information reaching this desk the past week is to the effect that fishing is good down on the Lake of the Ozarks. Any number of Sedalians report having enjoyable weekends down on the lake in the past two weeks. Yes, in spite of the rain, they returned home with "skillet material."

Dean Murray, Sedalia favorite in amateur boxing, has been chosen to replace Lefty Southall on the Missouri Valley A.A.U. boxing team which is entering the Rocky Mountain A.A.U. tournament, to be held here April 1 and 2. Murray is considered by the A.A.U. officials to be the second best boxer of the Kansas City Star Golden Glove tournament of this season.

Southall and Murray battled in the regional tournament last month, with Southall edging out a victory by a narrow margin. Other competitors in the tournament advanced into the finals by large margins, with the result that Southall, Gateway A. C. Negro boxer, took over the title. He won the final bout over Tommy Haley by a large and one-sided margin, which proved the worthiness of Murray.

Last Friday Murray began to train and prepare for the western trip. Should he become victor there, he will go into the National A.A.U. tournament to be held in Boston the middle of the month.

Southall, who had a terrible time making weight for the Golden Gloves, has gained far too much weight to start losing and remain in good condition for the Denver meet. Murray however has continued with athletic activities and needs to drop but three pounds to make the necessary weight schedule.

Boy, H. Walker, Kansas City; second dog, Nola The Second, G. Jordan Vandalia, Mo.

Fifth brace: first dog, Muscagee Spot Cash, Lee Shull, Kansas City; second dog, Rex, Ed. Ruyle, Kansas City.

Sixth brace: first dog, Mr. Blue, C. M. Shilkett, St. Louis; second dog, Prides Nuygn Pal, R. E. Callaway, Monett, Mo.

Seventh brace: first dog, Linkville Lady, W. W. Leiser, Lawrence, Kas.; second dog, Kirksite Joe, G. H. Worall, St. Louis.

Eighth brace: first dog, Ichaway's Seaview Village, R. L. Woodfill, Bolivar, Mo.; second dog, Edmont Peggy, Fred Wesner, Sedalia.

Ninth brace: first dog, Ellyson's Don, D. W. Ellyson, Kansas City; second dog, Bakes Allegheny Lou, Fred Wesner, Sedalia.

Tenth brace: first dog, Captain Don Henson, L. V. Smith, Springfield, Mo., second dog, Ghost's China Clipper, C. L. Marshall, Kansas City.

Eleventh brace: first dog, Ichaway's Seaview Village, R. L. Woodfill, Bolivar, Mo.; second dog, Edmont Peggy, Fred Wesner, Sedalia.

Twelfth brace: first dog, John Shan Rap Ton, C. N. Van Hooser, Kansas City, second dog, Frank's Don Proctor, Frank O'Neal, Kansas City.

Intra-Mural Champions
This year the sophomores were piloted by Fred Hulse and Kenneth Lutgen, members of the Smith-Cotton Tiger varsity basketball team, and they emerged out of the Intra-Mural competition as the victors—champions for 1942.

The team is composed of the following players with their coaches: Top row: Kenneth Lutgen, coach, Ambrose Purtle, Bob Hunt, Charlie Walter and Fred Hulse, coach. Bottom row: Burl Sammons, Claude Lambirth, Kenny Williams, Ernest Baker, Jr., and Billy Jolly.

Foot Forward

Warren Spahn, not yet 20, is bright southpaw prospect with Boston Braves at Sanford, Fla. Six-footer helped Evansville to pennant by topping Three-I League with 1.83 earned-run average, in winning percentage with 19 and 6 and in shutouts with 7.

First Roll Call Monday
Answering the first roll call Monday will be such gridiron figures as Sleepy Jim Crowley of Fordham; Minnesota's Bernie Bierman; Southern California's Sam Barry and Rutgers' Harvey Harmon. Yale's venerable track coach, Charley Hoyt and scores of others recently commissioned by the navy are listed in the officer-coach brigade.

After completing the first of four such indoctrination courses scheduled this year, they'll head April 18 for their new posts.

Crowley has been appointed Athletic Director for the Eastern Center at the University of North Carolina, Bierman (only marine in the class) goes to the University of Iowa and Barry returns to the Pacific coast to direct the program at St. Mary's college Oakland, Calif.

No athletic director for the fourth school at the University of Georgia has been announced. It's reported Texas Tech's Pete Cawthorn may be the job, pending his official appointment as a reserve officer.

Nary and Haas won one up in a match that carried 37 holes. Snead and Wehrle led two up at the end of the 18-hole morning round, while Nary and Haas were even with their opponents at the turn.

The final of 36 holes will be played tomorrow.

Tiger Track Team Getting Into Condition

Thirty-Five Report For Workout During First Two Weeks

The Smith-Cotton Tiger track squad rounded out its second week of practice Friday and a total of thirty-five boys are listed in the senior high school while fifty boys are out for the events in the junior high school. Coach Donald Davenport is pleased with the turnout and is confident the team will round out into good shape by the time the outdoor competition gets underway.

At present the first competition the Sedalians will run up against will be in the indoor meet at the University of Missouri on Saturday, April 4 at Columbia. Davenport is not expecting to come home with many laurels from this meet due to the fact it is strictly an indoor affair, and his team has not had the practice on indoor events. However, he feels the experience will be well worth the trip for his trackmen.

The senior boys and the events in which they are practicing are as follows:

Sprints and Relays
Bob Cain, Dewey Stevens, Frank Leet, Gordon Caves, Virgil Wells, Charles Walter, Dick Shea, Melvin Butler and Charles Johnson. These boys are also listed among the broad jumpers.

High Jumpers
Dewey Stevens, Bob Fingland, Charles Walter and William Wear.

Pole Vaulters

Reluctant To Give Up Casey To The British

Plea For Australia To Have Equality In War Policies

CANBERRA, Australia, March 21.—(AP)—An empire family class of personalities, policies and purposes between British Prime Minister Winston Churchill and Australian Prime Minister John Curtin came into the open Friday and created a sensation that almost crowded war news from Australian front pages.

Caught in the middle was handsome, mustached Richard Casey, the Australian minister to Washington who is going to the Middle East as minister of state for the British, not the Australian, war cabinet.

The news of this Churchill appointment reached Australia on the London radio before Curtin had announced it himself, and today Australia's laborite premier made it known in the house of commons that he would table next week a white paper containing a complete documentation on how it happened. This, it was disclosed authoritatively, will relate:

1. Curtin's extreme reluctance to have Casey leave the service of Australia in Washington.

2. Churchill's tartly expressed

"surprise" at the tone and substance" of Curtin's public reaction to the Casey appointment. Australian public reaction, as expressed by the important Melbourne Herald, was "surprise, shock and disappointment," and a feeling that "if it is not altogether too late the matter should be remedied."

Statement By Casey

At Washington, Casey issued the following statement:

"I do not believe it is in the public interest that I should discuss the various factors that led me to accept Mr. Churchill's proposal. I discussed the matter with all those who could bring a useful point of view to bear and generally the suggested appointment was welcomed in the general interest."

"If I had thought that Australian interests would suffer I would not have considered the proposal for a moment."

"I regarded the matter solely from the point of view of my duty in respect to the conduct of the war in the interests of Australia and of the empire generally."

Plea For Equal Voice

By D. HAROLD OLIVER

WASHINGTON, March 20.—(AP)—An urgent plea that Australia and New Zealand be given an equal voice with Great Britain and the United States in deciding general war policies in the southwest Pacific was made today by Dr. Herbert V. Evatt, Australia's minister for external affairs.

Dr. Evatt also said the allied troops concentrated in Australia could halt the Japanese advances, but must be furnished at once "all the implements of war, especially aircraft."

"Next month may be a month too late," he asserted in a statement issued at his government's legation.

Dr. Evatt, just arrived here on a special mission, told a press conference that his government and that of New Zealand favored creation of a new Pacific war council, possibly in Washington, with the Anzacs represented on it by officials of cabinet rank.

"We are on the eve of something of that kind being created," the 47-year-old cabinet officer added.

He declared the war against Japan was now being conducted "exclusively" by the United States and Great Britain and no machinery existed now by which the Australian government could meet with that of the United States in common council.

The council of combined military staffs in Washington is strictly American-British, he explained, adding that while Australia is on the Pacific political council in London the United States is not represented there.

Miss Peggy de Beughem, former society editor of The Joplin Globe, who has been a guest of Mrs. A. A. Studebaker of 1506 West Broadway. Miss de Beughem's mother, who formerly lived in Brussels, is the Viscountess Georges de Beughem of Belgium.

Society and Clubs

Mrs. George Suter announces the approaching marriage of her niece, Ruth Colvin, daughter of Mr. R. W. Colvin, 508 West Third street, to Mr. Murray Wood, son of Mr. and Mrs. J. T. Wood, of Sweet Springs. The marriage will take place April 7.

Miss Muriel Vaughan, daughter of Mr. and Mrs. M. C. Vaughan, 1800 South Stewart avenue, left Saturday morning for Sebring, Fla., where on Tuesday she will be married to Sergeant Michael McCarthy who is stationed at Hendricks Field. Her fiancé late last week was raised in rank to technical sergeant and will serve as an instructor at the air base. Sergeant McCarthy is a native of Philadelphia, Penn.

Miss Marvalee Robinson of Kansas City, daughter of Mr. Velda N. Robinson of Sedalia, whose marriage to Mr. Teddy Ellis of Kansas City, will take place on Easter Sunday, was honored at several parties in Sedalia last week-end.

Miss Juanita Curry, daughter of Mr. and Mrs. J. L. Curry, who is attending Washington university at St. Louis, and Miss Kay Herrick, daughter of Mrs. T. O. Herrick, entertained at a 7 o'clock dinner Saturday evening at the Herrick home, 2100 South Marvin avenue.

Miss Herrick, who is a student at Central college, Fayette, was accompanied home for the week-end by three classmates, Miss Zelma Purchase, Miss Mary Ann Anderson and Miss Louise Squires, who also were classmates of Miss Curry at Central last year.

The table decorations at the dinner were in green and white carrying out a St. Patrick's theme. The centerpiece was an arrangement of flowers consisting of green carnations and white snapdragons. Small favors in green and white served as place cards.

Guests were Mrs. Robinson, Mrs. Helen Ellis, mother of the prospective bridegroom, Mrs. Fred Henderson, Mrs. Burney Morris, Miss Betty Hill, Miss Betty Roberts, Miss Maxine Mertel, Miss Anderson, Miss Squires, Miss Purchase and Miss Robinson.

Miss Bonnie Herrick assisted Mrs. Herrick and Mrs. Curry in serving.

The hostesses and their families presented a wedding gift to the bride-to-be after the dinner.

Miss Betty Roberts was hostess at a 10 o'clock breakfast and bath-room shower Sunday morning at her home, 906 South Barrett avenue, in honor of Miss Robinson.

The color motif for the tables was pale yellow, green and pink. As favors the guests received nosegay corsages.

After the breakfast the guests assembled in the living room where the honoree was presented with a large colorful Easter egg filled with gifts.

The guests were Miss Robinson, her mother, Mrs. Velda N. Robinson, Miss Maxine Mertel, Miss Betty Hill, Miss Kay Herrick, Mrs. Burney Morris, Miss Juanita Curry, Mrs. Fred Henderson, Miss Zelma Purchase, Miss Mary Ann Anderson and Miss Louise Squires.

Sunday afternoon Miss Robinson was complimented at a linen shower given at the home of Mrs. Burney Morris, 317 West Tenth street, with Miss Betty Hill, Miss

Maxine Mertel and Mrs. Fred Henderson, the latter the former Miss Jane Bast, assisting in entertaining.

A buffet supper was served late in the afternoon with Miss Betty Roberts, Miss Pat Anderson, Miss Peggy Wilson, Miss Kay Herrick and Miss Juanita Curry as the other guests.

Miss Grace King, daughter of Mr. and Mrs. A. G. King, 1414 East Fifth street, became the bride of Private William D. Green son of Mr. and Mrs. William R. Green of Warrensburg, in a ceremony performed at 9:30 o'clock Saturday night, March 14, by the Elder A. A. Weaver at his parsonage in Sedalia.

Attending the couple were the bride's sister, Mrs. C. H. Griggs, and Mr. Griggs. A reception was held Sunday at the home of the bride's parents, with relatives and close friends attending.

At the present the bridegroom is stationed at Fort Leonard Wood.

Miss Willa Mae Johnson, daughter of Mr. and Mrs. Carl Johnson, and Robert Rouchka, son of Mr. and Mrs. Joseph Rouchka were married at 6:30 o'clock the evening of March 7 by the Rev. Blaine T. Hyten at his parsonage in Kansas City.

Attending the couple were Mr. and Mrs. J. E. Bennett, of Independence, the latter the bride's sister.

The bride wore a navy blue dress with a flowered halter bodice, with matching accessories, and her corsage was of red roses. Her sister's dress was a dark blue print, worn with navy accessories and a corsage of red roses.

Mr. and Mrs. Rouchka are living at 302 East Seventh street. Both are employed at the Lamy Manufacturing company.

Miss Nellie Mae Lloyd, daughter of Sergeant and Mrs. Ashly W. Lloyd of West Columbia, S. C., became the bride of Private Charles E. Ford in a ceremony performed on February 28 at the Baptist parsonage in West Columbia.

The bridegroom is with Battery F, 128th Field Artillery, stationed at Fort Jackson. He is the son of G. Edward Ford, 1900 West Second street, and the late Mrs. Agnes Ford, and is a nephew of Mr. and Mrs. Roy Ford of Sedalia. Private and Mrs. Ford are making their home with the bride's parents at 209 Oliver street, West Columbia.

A display of antique articles was a novel entertainment feature of the social meeting of the Business and Professional Women's club held Thursday night at the lovely country home of Mrs. R. B. Woods.

Mrs. Grace Young, president, opened the meeting and introduced Ellsworth Green, secretary of the Chamber of Commerce and secretary of the Pettis county Council Civilian Defense, who explained the duties of those participating in this work.

Each member brought to the meeting an antique item which were principally glassware and silverware. The articles ranged from a necklace over 1,000 years old, a 125-year-old Swiss apron to a century-old silver tureen. There were a number of pieces of glassware dating back to the 1700's.

Children In Fourth Grade Wore Hand Made Suspenders

The Horace Mann P. T. A. met in regular session Friday, with Mrs. T. E. Harris, president, presiding. Mrs. W. D. Winston, gave the devotional, and Miss Myrtle Donohue read a prayer. The Cubs, under the leadership of J. E. Morrow gave a demonstration of their work. Four Dens were present.

The fourth grade, under the direction of Miss Joyce, presented an illustrated group of slides on Switzerland. They had colored their own slides and written their own stories. Each child wore hand made suspenders that they had made. At the end they sang an original song, the words and music were written by one of their members, Wayne Yonce.

Original Sketches

The fifth grade, under the direction of Miss Geraldine Teufel, presented an original radio skit. This very interestingly covered a unit of work on the United States. An original song at the end was well received.

Senator George H. Miller was the speaker for the afternoon, and gave an interesting and instruc-

Players Committees

The Pettis Players will meet at 8 o'clock Monday night at the home of Miss Josephine Chipman, 717 West Seventh street.

The study and entertainment committees have planned a joint session on voice production and control, with the study section of the meeting to be followed by voice tests and recordings.

Some work of this kind was done at a meeting about a year ago and progress in expression and voice control is expected to be apparent at this time.

The officers of the Pettis Players met Monday night with Mr. and Mrs. William Ward, 520 West Fourth street, and appointed the following committees for the coming year:

Study — Mrs. Arthur Powers, chairman, John Z. Montgomery and Mrs. George Lockett.

Entertainment — Miss Joyce Lynn, chairman, Mrs. Kenneth Husbands and George H. Miller.

Membership — Abe Silverman, chairman, George Lockett and William Ward.

Ways and Means — Miss Josephine Chipman, Mrs. Tom Kirkpatrick and Mrs. J. F. Van Osdel. Publicity — Mrs. William Ward, chairman, Mrs. Abe Silverman and Miss Elaine Chapman.

Appointment of a production committee was deferred until a public production is definitely planned.

tive talk on the "Missouri Teacher Retirement Plan."

VERSAILLES Attorney Files For Office Of Probate Judge

Cager Will Be Awarded Trophy For Free Throw Record

By Mrs. Lloyd Buchanan
A. J. Bolinger, well-known Versailles attorney, started the political ball rolling this week by filing for the office of Probate Judge. He is the first candidate to file for any of the offices to be filled by election this year. He has served as Probate Judge for the past year, having been appointed to fill the unexpired term of the late S. J. Holloway.

Gerald Woods, one of Versailles' outstanding basketball players will be presented an individual gold basketball trophy at the annual award assembly this year. His percentage of successful free throws was the highest. Attempting 119 free tosses during the season Woods successfully dropped 70 of them through the basket. Also to be honored is J. C. Garrison, who has an average of 48 per cent free throws.

The Boy Scouts here have been collecting old license plates for defense for several weeks and so far

the plates accumulated number 1,024. The oldest plate is dated 1920, and is green with black lettering.

Mrs. Irene Hensel will organize a Red Cross class in nutrition Monday night in the city hall. The class in home-nursing under the direction of Mrs. James Delano is still in progress.

Mr. and Mrs. Elmer Welty will go to Sedalia soon to make their home. Mr. Welty has accepted the position as manager of the M. F. A. in Sedalia. He has managed the M. F. A. here for the past eight years.

Langston Henderson, son of Mr. and Mrs. Talmadge Henderson, is getting along nicely in the St. Joseph hospital in Boonville following an operation for appendicitis there Sunday night.

A new shoe store to be known as the Family Shoe Store will be opened here in the Goodman building today. The store will be owned and operated by E. C. Lauderdale, formerly of Rolla. Mr. and Mrs. Lauderdale and daughter, Barbara and son, Billy will make their home in the Knopp house east of the Baptist church.

Troop 2 of the Girl Scouts gave a benefit dance in the high school auditorium Friday evening. Decorations were in keeping with St. Patrick's Day. Games and dancing were enjoyed throughout the evening and the members of the council and leaders of the troop presented the girls with a large birthday cake in

commemoration of the thirtieth anniversary of Girl Scouting.

Miss Christine Hauschild of Columbia, president of the Missouri Federation of Business and Professional Women's Clubs will be a guest of the Versailles club at a luncheon at Mack Moore's Cafe Friday. Following the luncheon, Miss Hauschild will go to the high school where she will talk to the senior girls concerning their vocations.

Mr. and Mrs. Lloyd Buchanan have as their guests this week Mr. and Mrs. Jimmy Dane of Los Angeles, Calif.

Mrs. N. H. Newkirk is visiting this week with relatives in Kansas City, Kansas.

Miss Mary Frances Lujin was the guest of Miss Dorothy Goodman at the annual Rhetor hall at C. M. S. T. C. in Warrensburg Friday evening.

With the close of the basketball season, athletics in the high school here have taken an intramural air. This week 75 girls are competing in six teams for an intra-class volleyball championship. Ruth Hall is captain of the Senior teams, Marjorie Hall, the Sophomores, and Betty Sue Heineman and Mary Durham lead the two Junior squads. The two Freshmen teams are led by Marjorie Peoples and Anna Mae Kowalskie.

Ivanhoe Free On Second Charge

JEFFERSON CITY, March 21.—(P)—A directed verdict of acquittal Friday night freed state Rep. Joseph L. Ivanhoe (D), St. Louis, and Charles J. Harvey, St. Louis attorney, of a charge that they conspired to solicit a bribe in Missouri's 1941 legislature.

Circuit Judge Sam C. Blair directed the acquittal on the grounds of "insufficient evidence" at the conclusion of the state's case.

Ivanhoe was convicted Wednesday of soliciting a \$3,500 bribe for his support of a bill to regulate insurance agents.

"But," Judge Blair declared, "we are not trying that charge. And there is not enough evidence to show that there was any agreement between these two men."

'Lillie' Alias 'Mouser' Presents Sedalia Elks With Four Kittens

Four beautiful kittens, two black and two tiger, were born at the B. P. O. Elks Lodge 125, Home, Fourth street and Kentucky avenue, Saturday morning. Mouser was the mother's name before the Lodge members found out, but now it's "Lillie."

Weeks ago the cat strayed into the Elks Home. Some members didn't like the thought of it hanging around. But there were many mice running about and she pounced upon and in due time eliminated signs of mice inside the Elks' Home. Dissatisfied members then demanded she be kept. When the cat accidentally strayed into the lodge hall during meeting one night others decided she should be made an official member of the lodge. Now those members say she double-crossed them.

Chaplain Thomas Walch went to plenty of trouble building a small bed with canopy over it, painted a pale pink and trimmed in baby blue, with lettering across the front of the canopy, "Lillie." Yes, much to the surprise of the Elks the kittens were born in her bed down in the basement.

The two blacks have been

named Pearlene and Perl, after Pearl Johnson and Mrs. Pearlene Foster, employee of the lodge. Suggested names for the tigers are, "Doctor" or "Doctress" and "Duke" or "Dutchess."

Mayor Julian H. Bagby Renominated By The Democrats

(Continued From Page One)

From the Fourth Ward asked for the floor. Mr. Hayes said, "It is with regret we receive the announcement of Mr. Bohling. The party desires to have at its head a man of business ability, a man who has been tried for his honesty, ability and foresight, one who has been tested heretofore. "I have in mind, such a man who has worked hard as a public servant. With conditions as precarious as they are today and with Sedalia working to bring industrial, prosperity to it, and with that well on its way, I feel that the man who has several enterprises which he has operated successfully as well as one who has the community at heart, has the necessary contacts to be helpful to our city. I take pleasure in giving you for Mayor Julian H. Bagby."

"I assure you that Mr. Bagby did not consent to run because Mr. Bohling had been persuaded by him to run, but upon his announcement friends of both men swarmed upon Mayor Bagby and drafted him."

Roy Bryson, then took the floor, and verified the statement of Mr. Timbory, "I talked with Mr. Bohling in the afternoon and he likewise told me that because of his health, and advice from physician, he would not be a candidate."

Others In Nomination

Mr. Bagby was unanimously chosen by the convention, upon a motion of Judge E. W. Couey. Al Gorsett nominated H. "Zone" Anderson for Chief of Police.

Andy J. Knipp, nominated Charles W. Bente, for Police Judge. Judge E. W. Couey, nominated William "Bill" Hert for City Collector.

Charles Bolton nominated Ed. Gorman for City Assessor. William F. Brown, nominated John Z. Montgomery, for City Attorney.

O. B. Poundstone, nominated Miss Jean Slack for City Treasurer. Joe Reid nominated Dr. Tom Bast as member of the Sedalia School Board.

Emmet Sullivan nominated Fred F. Wesner as City Chairman for the next two years.

The convention ratified the names of four aldermen candidates, Emmet Sullivan, First Ward; Elmer Sumners, Second Ward; Walter Jesse, Third Ward; and Robert "Bob" Overstreet, Fourth Ward.

New Orders To Draft Boards

WASHINGTON, March 21.—(AP)—New instructions to local draft boards to be strict in granting deferments from military service because of occupation were announced today by national selective service headquarters.

Brigadier General Lewis B. Hershey, the director, advised that the war effort made it imperative that manpower be "directed into that channel of activity" where the nation will best be served. "Now only those whose civilian activities are really necessary to war production or essential to the support of the war effort can be accorded the protection of occupational deferment from military service in the armed forces," Hershey said.

Consequently, he said, there must be "a more careful consideration of the essential character of the activity in which the registrant is engaged, the occupation which the registrant holds in that activity, and the need for the registrant in that occupation."

Collecting On Factory Stock

The final drive to collect all outstanding balances on the Sedco Shoe Co. stock will be started this week, and the committee hopes that all persons will take care of their obligations in order that stock certificates can be issued.

Machinery for the factory is arriving every day, and already a large stock of leather has been received. The company is well stocked on sole leather, according to information received in Sedalia the past week.

The factory building is practically completed and the installation of machinery will be started immediately. As soon as the machinery in installed and stock has been issued the factory will begin operations, probably the first part of April.

E. C. Martin, trustee, reports favorable returns on a drive several days ago, but at present there are still several outstanding subscriptions unpaid.

Former Sedalia Receives Promotion
RANDOLPH FIELD, Texas, March 21.—(AP)—Ashley J. Garrett, former resident of Sedalia, Mo., is rapidly moving ahead in the U. S. Army Air Corps. He was promoted recently to corporal by the 837th Quartermaster Co., Randolph Field. Here at the "West Point of the Air", he is an instructor in the Aviation Cadet Ground School.

representatives in Washington and local Republican office holders.

Other Candidates Chosen

After the nomination of Mr. Wilks other nominations followed: W. W. Blain nominated Wilmer Steeples for chief of police. Mr. Steeples is a former mayor of the city. E. L. Zoellig nominated Gus Gehlken for police judge. Fred Rose nominated John Taylor for assessor. All were elected without opposition. Guy Peabody nominated Mrs. Leo Harris for treasurer and D. S. Lamm nominated Mrs. S. W. James. Mrs. Harris received 55 votes and Mrs. James 44.

There were several nominations for city attorney. W. W. Blain, Miss Hazel Palmer, John T. Martin and John Palmer were nominated, but all declined. Mr. Blain nominated W. A. Collins and he was unanimously chosen Mr. Collins was not at the convention.

Miss Hazel Palmer nominated Richard Keenan for school board candidate to succeed himself. Aldermanic candidates for the four wards, selected at ward caucuses were First Ward, Ross Kindred, automobile dealer; Second Ward, W. P. Williams, painter and contractor; Third Ward, Ira Smith, Missouri Pacific shop employee; Fourth Ward, George C. Hoffman.

Chairman By Ballot

Selection of a city chairman was by ballot. There were no nominations from the floor, but each delegate was asked to write the name of a choice for chairman on a ballot. Senator George Miller, with 55 votes, was elected. Others receiving votes were W. D. Smith, John T. Martin, E. L. Zoellig and C. G. Schrader.

U. S. Bomber Sinks Enemy 'Sub'

NEW YORK, March 21.—(AP)—Lieut. Gen. Hugh A. Drum, commanding the eastern army forces, announced tonight that an American bomber had destroyed an enemy submarine in an undisclosed area off the eastern United States coast.

"Destruction of the submarine was complete," General Drum said. "The sea was covered with oil and debris. It is considered improbable that there could have been any survivors."

Four depth charges were dropped by the bomber, which spotted the sub from about two miles away while the plane was bound home from a photographic mission, the general said.

Second Lieut. E. H. Epperson of Scott City, Kas., the bomber's pilot, declared:

"We could see the conning tower clear of the water. We made four runs over the submarine, and dropped one depth charge on each run. The first two were direct hits on the conning tower. "Crippled by the first hit, the submarine was a clay pigeon for the following runs. The third blast was a 'short', the fourth was an 'over' (a near miss)."

"It looked as if we had struck an oil well. The submarine disappeared from sight. My report reads: 'Complete destruction of enemy submarine.'"

The co-pilot, Second Lieut. Barney L. Johnson, of Fort Worth, Tex., said the bombing was from an altitude of 100 feet.

Girl Scouts In Hawaii Helped

Were Trained To Do Work Needed After Jap Attack

"Because of a standard, though flexible, program the Girl Scouts in Hawaii after the Pearl Harbor disaster proved to be ready to go to work immediately and offer help in canteen, took over the military and police office work, and assisted in first aid," Miss Marian Phipps, Girl Scout executive-secretary in Sedalia, said in a talk on Girl Scouting at a meeting of the Broadway Parent Teachers association Friday afternoon in the school auditorium.

Every Girl Scout in Sedalia is registered with the Office of Civilian Defense, she said, and added that "should they be called on in an emergency you may be sure they will earn the oft-repeated phrase, 'you can depend on the Scouts.'"

Assets Of Scouting

Miss Phipps listed the assets of the Girl Scouting program today as follows:

1. Girl Scouting is based on a code of ethics that emphasizes service to others.
2. Girl Scouting includes in its program activities that can be used to bolster every aspect of the defense program.
3. Girl Scouting has a democratic method that insures the highest type of cooperative endeavor on the part of the groups of children and adults.
4. One half million girls are trained in attitudes and skills.
5. Thousands of adults are similarly trained.
6. Girl Scouting has physical resources in its local offices and camp sites.
7. Girl Scouting has a national organization that coordinates the work all over the nation.

"The world as we know it—the free world—needs help as it has never needed it before and the Girl Scouts are organized to help, are prepared to help and above all they are willing to help," Miss Phipps concluded.

Playlet Presented

A playlet celebrating the thirtieth anniversary of the Girl Scouts Troop 22. Participating were Mary Jane Anderson, Marian Rhodes, Jane Randall, Helen Harrison, Mary Lee Sprecher, Mary Borne, Ruth Ann Keuper, Grace Jerrell, Barbara Brimmer, Ruth Yunkle, Beryl Evans, Allene Hall, Jean Meier and Delta Mae Dunkin.

Miss Phipps, whose topic was "Girl Scout Work in Relation to National Defense," was introduced by Mrs. Richard Gray, program chairman.

Forrest L. Drake, principal of Broadway school, talked briefly on the importance of volunteer service for civilian defense.

Miss Frances Meyer's home room, grade five, gave a choral reading preceding the regular program, and the devotional, in charge of E. R. Shores, was given by members of Boy Scout Troop 65, who gave the "Scout Oath and Laws" led by James Heerman.

The meeting was presided over by Mrs. G. A. Walters, the president.

closely the geographical pattern of the old national guard:

The first infantry, commanded by Col. E. H. Shepley of St. Louis, covers the St. Louis metropolitan area.

The second infantry, under Col. Ward L. Schrantz of Carthage, has units throughout southwest Missouri, at Carthage, Monett, Aurora, Anderson, Pierce City, Joplin, Neosho Butler, Nevada, Webb City and Lamar.

The third infantry, commanded by Col. Harry M. Gambrel of Kansas City, includes units from Kansas City, St. Joseph, Independence and far northwest Missouri.

Sedalia In 4th Infantry
The fourth infantry is commanded by Col. Rex P. Barrett of Columbia. Drawn from north central and northeast Missouri, it has units at Columbia, Moberly, Kirksville, Mexico, Hannibal, Sedalia, Clinton, Warrensburg, Booneville, Chillicothe, Marshall, and even one in St. Louis.

The sixth infantry is from southeast Missouri. Commanded by Col. Paul C. Jones of Kennett, it has units in Steele, Kennett, Dexter, Sikeston, Farmington, Cape Girardeau, DeSoto, Festus, Doniphan, West Plains and Poplar Bluff.

Planes Privately Owned

Lt. Col. William A. Jones of Kirksville commands the air squadron, which has one flight at Kirksville, another at Columbia. The planes are privately owned and operated at the owner's expense. Most of the pilots are graduates of the civilian pilot training program.

So far, there has been no mobilization of the guard. Kansas City units were called out during the power strike there last winter, and in St. Louis one company was assembled to protect a vital plant. Otherwise, the troopers' only activity has been practice.

More Interest For Red Cross

and events in the Far East are quoted here:

Awaiting word from Japan:

On February 19 Chairman Davis stated that A. R. C. was prepared to rush shipments of food and clothing to prisoners of war and non-combatants interned by the Japanese government as soon as that country gives us the green light. The Japanese Red Cross has offered to assist a delegate of the International Red Cross Committee in arranging distribution. These supplies, supplementing the food and clothing which Japan is to provide American military prisoners and civilians, would go forward from Australia. In addition to this service, the A. R. C. will seek information through the International Red Cross concerning missing Americans whose names do not appear on official prisoners-of-war lists.

Treatment of Americans Good:

On February 21 came first reports from Japan on treatment of American prisoners-of-war and interned civilians. The International Red Cross delegate to Tokyo, Dr. Fritz Paravincini, informed A. R. C. through Geneva that—"Japanese soldiers' rations provided to prisoners-of-war, and treatment good. Only request, more tobacco and toilet articles."

Katy Remodels Mail Cars

The Missouri - Kansas - Texas railroad is just completing at its Sedalia shops remodeling of five 30-foot mail cars which operate on the M-K-T lines and the last of the cars was inspected the past week by H. J. Fuchlene, mail car inspector for the United States Post Office Department, St. Louis.

Mr. Fuchlene said after the inspection that he has seen no finer remodeling jobs than those which are being completed in the shops in Sedalia. In the cars additional letter cases have been installed which add to the efficiency of handling of the mail.

The cars have been overhauled throughout, repainted, and additional lighting done to give better light for the clerks while at their work. The cars, the inspector said, have the appearance of being new ones.

Increased business in the past few months has been such that it has been necessary for the expansion of the working facilities in the railroad mail cars. According to the government inspector excellent cooperation on the part of the Katy officials in bringing the mail cars up to date to meet the change of conditions, has been a great factor in bringing about improvements in their equipment.

Mr. Fuchlene also called attention to the fact the Post Office department has made a new ruling on mailing books to soldiers, sailors or marines. The book can now be mailed one and a half cents a pound from anywhere, whether the sender be in the United States or on foreign duty.

No Sugar Sales For About Week

CHICAGO, March 21.—(AP)—Suspension of all sugar sales in the United States for a period of approximately one week beginning at midnight April 22, as a preliminary to the rationing program, was announced here today by John E. Hamm, acting chief of the office of price administration.

Sugar thus will temporarily go off the market as of April 28, when the registration of industrial and commercial consumers is started.

Hamm said sales would probably be resumed about May 5, the

second day of the four day registration period for individual consumers.

In answer to a question about available supplies if rationing were undertaken at once, Hamm said there was a question whether there was enough sugar in the northeastern states at this time to take care of needs there.

He added, however, that the matter of distribution was expected to be adjusted before the end of April.

THE FIRST STARS AND STRIPES

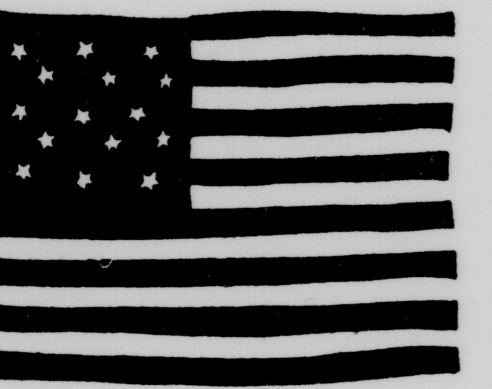

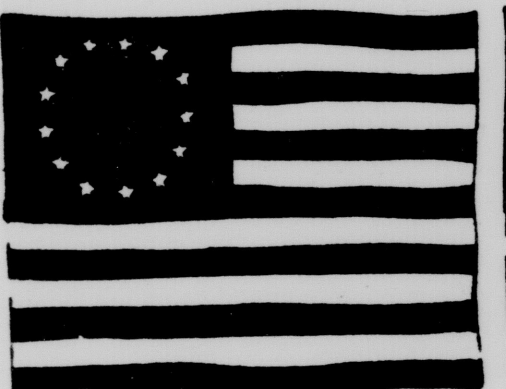

FIFTEEN STARS AND STRIPES

AN APPEAL TO GOD

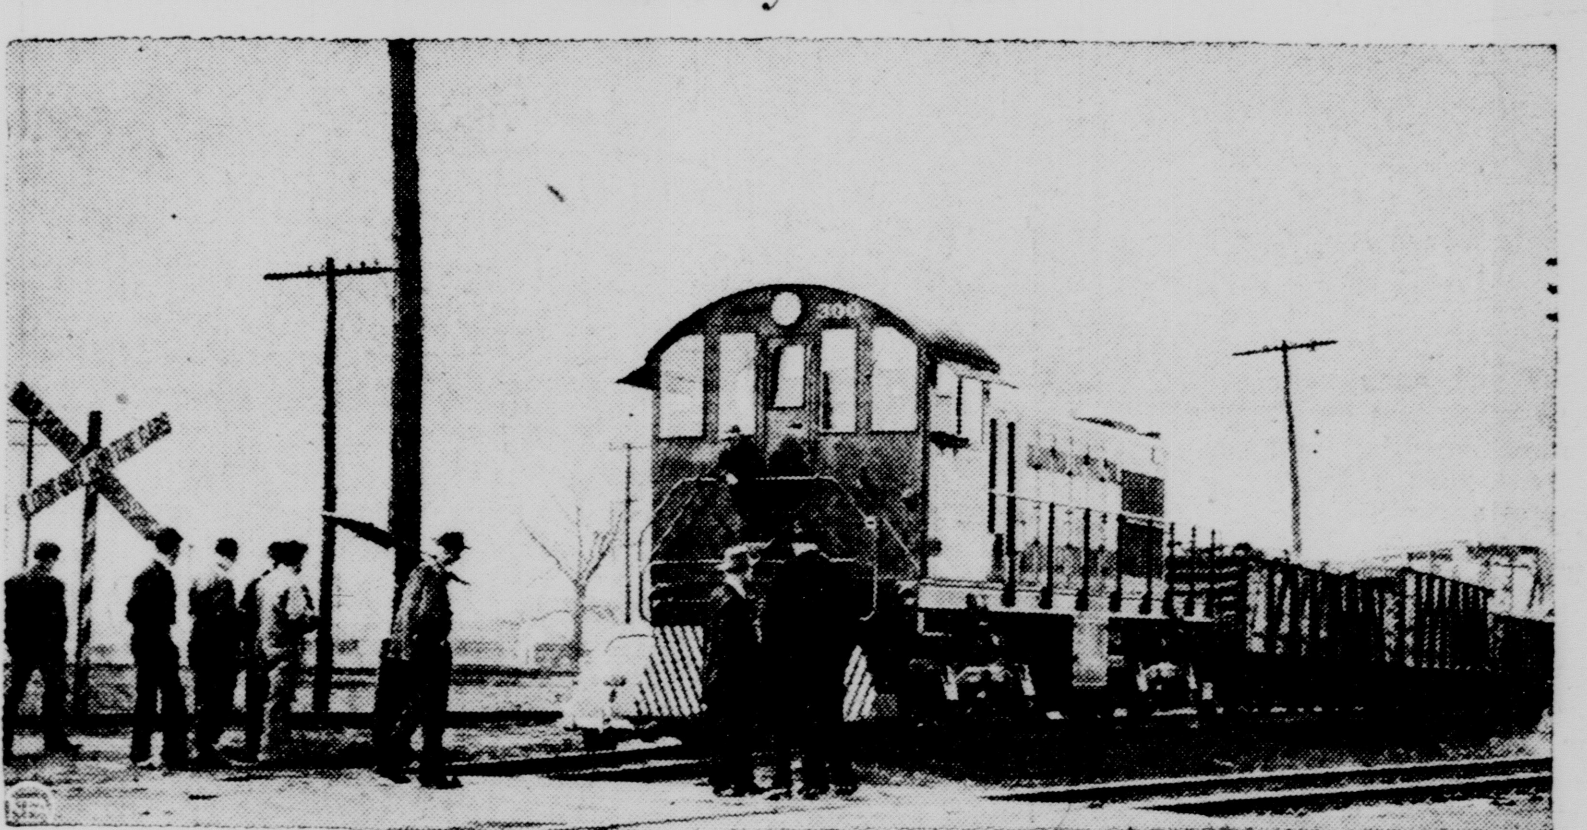

PRE-INDEPENDENCE FLAGS—Depicted above are banners carried by American patriots when they first took up arms in 1775. At the left is the blue flag with its white crescent which was nailed to the staff at Fort Moultrie by Sergeant Jasper. In the center is the Rattlesnake Flag of the Virginia minute men at Culpeper. At the right is one of the New England pine tree flags.

This is the first Stars and Stripes. The Continental Congress on June 14, 1777, resolved: "That the thirteen United States be thirteen stripes, red and white; that the Union be thirteen stars, white in a blue field, representing a new constellation." According to legend the five-pointed stars were designed by Mrs. Betsy Ross.

With the admission of Vermont and Kentucky to the Union two stars and two stripes were added to the flag following an Act of Congress in 1794. It was a flag of 15 stars and 15 stripes over Ft. McHenry that inspired Francis Scott Key to write "The Star-Spangled Banner." Congress in 1818 restored the original number of stripes.

Board Rationing

The Pettis County Rationing Board has been assigned more duties. The board has been informed it will ration new and old typewriters as soon as an allotment is made to this county.

The board, Saturday, acted upon an emergency request of J. C. Campbell, Roseville, Kas., who made application for two truck tires. A certificate for the tires was issued by the local board and they will be charged against the tire allotment of the state of Kansas.

No further information has been received with reference to rationing sugar, pending further word from Washington. The board has already received several thousand rationing books.

Execution Of 4,000 Serbs By Axis Powers

Arrests Made By Wholesale Of Defiant Ones

By THE ASSOCIATED PRESS

From German-subject but still defiant lands of Europe came accounts (Saturday) of brutal, mass machine gun executions of 4,000 Serb patriots, of wholesale new arrests among Belgians and Frenchmen and harsher restrictions upon Jews by axis satellites.

Yugoslav government sources in London, quoting from eyewitnesses, told how the Serb men and boys were mowed down late last November after Hitler personally had invoked a 100-for-1 reprisal against Yugoslavs converted to the Fuehrer's "new order."

The belated eyewitness accounts said the roundup of the Serbs started in Jajargjevas a month after Hitler issued his personal order.

"The Germans rounded up about 6,000 men and boys, from 15 to about 50. Although bewildered, all were not unduly perturbed and some even sang throughout the night."

"Germans started to search all houses for the men," the Yugoslavs related. "The men were led out of town. Nobody knew the reason for the measure."

Felled By Machine Guns

"On Tuesday, Nov. 21, the German soldiers proceeded to divide the thousands into batches of 40. Armed guards then led these groups into fields and bushes and began to work their machine guns on them."

"About 100 schoolboys with school books still in their hands were with them. The number executed was more than 4,000. According to an official statement of the Mayor of Kragujevic, about 60 per cent of the whole male population was killed."

Across the continent, German authorities in Brussels announced yesterday that 50 Belgians had been arrested as Communists and ordered deported to eastern Europe in reprisal for recent "terrorist" attacks in Belgium.

"The Nazi announcement said women and children had been killed and wounded in the last few days in dynamite attacks—apparently simultaneously in several Belgian cities—on 'Belgian adherents of new order movements.'"

Little Interest By Draftees

Registrants in the third draft, those men between the ages of 20 and 44 inclusive, have been very much interested in their placing by the draft lottery, according to the employees in the Selective Service board's office. There have only been three or four interested enough to come to the office and ascertain where they are in the call.

Many knew their own serial number, which appeared in the Democrat and Capital, and knowing that were able to determine approximately where they are in order when the numbers were drawn.

There seems also to be a feeling among most of the men in this draft call that when the government wants them, they will be called, and it makes little difference where they are in the list.

Funeral Of Mary Boulden Will Be Held Monday

Funeral services for Mary Boulden, Negro, daughter of Mrs. Kate Boulden, 207 East Morgan street, who died at 8:30 o'clock Thursday night at the family home, will be held at 10 o'clock Monday morning. The Rev. A. L. Reynolds will officiate.

She is survived by her aged mother who is ill at the home. One sister Mrs. Gabe Dale, of Omaha, Nebraska, and one foster daughter, Mrs. Mary Bell Scott, Kansas City.

Interment will be in the Crown Hill cemetery.

Rebekah Lodge To Celebrate

Loyal Rebekah Lodge No. 260 held its regular meeting Friday evening at Woodman-Maccabee hall and it was announced that the annual birthday celebration will be held at the next meeting, April 3, with a family dinner to be served at 6:30 o'clock at the hall for members, their families and invited guests.

This dinner will be followed by a business session at 8 o'clock.

At the business session Friday

one card was favorably balloted on for membership.

Miss Irene Larison, district department president of Windsor was a guest.

The monthly all-day meeting of the club will be at the home of Mrs. Louise Guymon, 217 East Sixth street, on Wednesday. A contributed covered dish lunch will be served. Members are asked to come prepared to sew.

Five Per Cent License

A permit granted recently by

the County Court to Wallace Watkins, operating the Griddle, was for five per cent beer instead of 3.2 beer as was erroneously stated in the paper.

From 1493 to 1933, the western hemisphere mined silver to an estimated value of more than \$6,300,000,000.

Peanuts have more carbohydrate than potatoes, more fat than cream and more protein than meat.

Slight Gains Halt Decline On Grain

By FRANKLIN MULLIN

CHICAGO, March 21.—(AP)—With fractional gains, the grain futures market today halted the week's sharp decline, rallying moderately from the 1942 low prices posted in most pits yesterday.

Buying attributed to dealers covering previous short sales or restating lines sold out earlier in the week helped to give the market a stronger undertone. Brokers said some small scale purchasing of consuming interests also was in evidence but there was no rush to take advantage of low prices.

Wheat closed 1/4 to 1/2 cent higher than yesterday. May \$1.26 1/4 to 3/4, July \$1.28 1/4 to 3/4, Corn 1/4 to 1/2 cent higher, May 87 1/2, July 89 1/2, Oats 1/4 to 1/2 cent up; Rye 1/4 to 1/2 cent higher; Soybeans 1/4 to 1/2 cent higher and unchanged at ceilings.

With these gains, wheat reduced the week's net losses to 2 1/2 to 3 cents. Corn 1/4 to 1 cent, Oats 1/4 to 1/2 cent, Rye 3/4 to 1/2 cent and Soybeans 1/4 to 1/2 cents.

Chicago Live Stock

CHICAGO, March 21.—(AP)—(U. S. D. A.)—Hogs—Salable receipts 300; not enough good and choice hogs here to test market; quotable top, \$12.60; compared with a week ago, weights under 300 pounds, 5 to 15 cents higher; heavier weights and sows, 15 to 25 cents higher.

Cattle—Salable receipts, 100; calves none; today's market nominal; compared with Friday last week, strictly good and choice fed steers and yearlings, strong to 25 cents higher; other grades uneven, but mainly steady; heifers strong to 25 cents higher; cutters and beef cows, 25 cents up; instances 40 cents on good fat cows; canners, 25 to 50 cents lower; bulls 25 cents lower; vealers firm; week's extreme top fed steers, \$15.50, new high for season, these scaling 1,238 and 1,364 pounds.

Sheep—Salable receipts, 1,000; today's market nominal; compared with Friday last week, fed woolled lambs, 25 to 40 cents higher with fat sheep 10 to 15 cents higher; on the close, choice around 95-pound fed woolled lambs topped at \$12.50.
